

FAST-TRACK YOUR GRADUATE JOURNEY!

Is graduation just around the corner?
Start your *master's degree* one step ahead!

Enroll in **Graduate-Level Courses** at
the **Graduate School of Informatics** (NI Status)

WHY JOIN THIS PROGRAM?

- **Early Exposure:** Get a head start on graduate-level research and education.
- **Time Efficiency:** Courses completed with a CC or higher can be counted toward your future master's degree, allowing you to graduate sooner.
- **Flexible Planning:** Better manage your future academic workload.

ELIGIBILITY & REQUIREMENTS

- **Target:** METU students in their 7th semester or later.
- **Academic Record:** Strong standing (check specific cumGPA requirements below)
- **Transfer Credit:** Course must be taken as NI and completed with a minimum grade of CC to count toward a graduate degree later.

DON'T MISS OUT!

Shape your future today and gain a *competitive edge* before you even walk across the graduation stage.

Check the list on our website for the course details, schedules and enrolment criteria:enrolment criteria:
